Dear David:

Thank you for contacting me about the stadium issue and the Minnesota Vikings. I share your concern, and I have been working with other legislators to develop possible solutions for keeping the Vikings in Minnesota.

Yesterday, we introduced legislation that has the potential of resolving the stadium issue. Now the bill will start going through the committee process. Since I serve on three of the committees that will be hearing the bill, I will be able to influence the outcomes. I hope that we can get a bill passed before we end the session on May 17th. Stay tuned.

Sincerely,

Morrie Lanning
